PLOMB TOOL COMPANY CATALOG SUPPLEMENT

Currently Active Items Not Included in the 19-R Catalog (First Printing) or in Previously Issued Catalog Supplements

000K -- Spark Plug Feeler Gauge Set

For all mechanics who check spark plug gaps. Protective holder has eight bent wire gauges with thicknesses of .022", .025", .027", .028", .030", .032", .035" and .040".

1388AA -- Nuplaflex Plastic-Tip Hammer Merchandising Package

Contains an attractive 11" x 14" counter card, a hammer demonstration device which rings a bell when a bolt is struck, ten envelope stuffers, six popular sizes of Nuplaflex hammers (1388, 1389, 1390, 1391, 1392 and 1398), four extra tips (1388T, 1390T, 1398T and 1399T), and two free tips for the demonstration hammer. Full details are given in Bulletin 4734.

1400SP -- Set of Three Solder Paddles

This set is a "must" for any body or fender repairman required to make solder-fills. The set consists of three differently shaped and especially designed paddles numbered 1411, 1412 and 1413. Paddles are made of select kiln-dried hardwood and are then treated by a special process to give the peculiar qualities necessary to the smooth spreading of solder.

1411 -- Flat Wooden Solder Paddle

Working area -- 1-11/16" x 3-1/4". Highly resistant to charring.

1412 -- Curved Wooden Solder Paddle

Working area -- 1-1/2" x 2-7/8". Highly resistant to charring.

1413 -- Flat Wooden Solder Paddle

Working area -- 1" x 3-1/4". Highly resistant to charring.

1526 -- Ripping or Panel Cutting Chisel

For body and fender work. A rugged tool of one-piece construction that eliminates the necessity of replacing delicate cutters as in previous designs. Length -- 14".

1731 -- Obstruction Box Wrench

Half-moon type, with 12-point openings of 5/8" and 3/4".

2450 -- Three-Pocket Leather Kit

Designed for Utility Set 9900C, but a handy kit for carrying other tools. Made of real leather, huskily riveted and sewn, and colored red. Has four slots for carrying on belt.

4056SJ -- Single Jaw Slide Hammer Puller Set

A low-priced slide hammer puller for service stations and general pulling u
Especially suited for removing grease retainers, for lubrication and brake
work, and for wheel alignment. With this one puller it is possible to hand
many jobs without changing the puller set-up, thus saving considerable time
It is a fine basic set to which other attachments can be added later. Cont
a 4056R T-handled rod, a 4056H slide hammer and a 4056S single jaw puller.

5012 -- Deep Socket

Twelve-point, 3/8" opening, for 3/8" drive.

5026 -- Deep Socket

Twelve-point, 13/16" opening, for 3/8" drive.

5028 -- Deep Socket

Twelve-point, 7/8" opening, for 3/8" drive.

5239 -- Oil Pan Screwdriver Socket

Newly designed to meet the specific requirements for 1940 and later model Chevrolets. For 3/8" drive.

5245 -- Oil Pan Screwdriver Socket

Fits 1939 and earlier model Chevrolets. For 3/8" drive. Reinstated after redesigning to make it stronger and lighter for more effective use.

5255 -- Adapter

Female -- 3/8". Male -- 1/4".

5266 -- Hinge Handle

Length -- 12". For 3/8" drive.

5450 -- Reversible Ratchet

Length -- 16". For 1/2" drive.

9744 -- Wood-Handle Screwdriver

Overall length -- 29-1/16". Blade length -- 24". Bit -- 9/32".
Especially useful for reaching hard-to-get-to hose connection clamps.

9900C -- Utility Set

Designed mainly as a fast-moving gift item for Christmas, birthdays, Father's Day, etc., -- a set that should be in big demand the entire year. Contains three tools -- a 276 combination slip joint 6" plier, a 9804 plastic-handle screwdriver with 9/32" bit, and a 706S adjustable 6" wrench -- in a 2450 chrome-tanned, top-quality leather 7" x 9" kit. The tools selected are the handiest to have around at all times and will handle most odd repair jobs. These same tools are used often for professional jobs. If a user wishes, he can add extra tools to the kit. Four slots in the kit permit it to be carried on a belt or to be hung most anywhere.

9900PL -- Tool Set for Plumbers

Includes the 66 tools most needed by plumbers and will handle all usual plumbing jobs. It was developed for plumbing companies that furnish or sell tools to their employees, for War Veteran trainees, and for others learning the profession. Contains Nos. 5-7/16, 5-5/8, 6-1/2 x 11-1/2, 6-5/8 x 12, 13-3/8, 1/2, 13-5/8, 13-3/4, 13-7/8, 14-5/8 x 12, 14-3/4 x 14, 15-5/8, 21-1/2 In, -1/2 Out, 33-1/2 In, 33-1/2 Out, 33-5/8 In, 33-5/8 Out, 033-1/2 In, 033-1/2 t, 033-5/8 In, 033-5/8 Out, 35-1/4, 37-1/2, 37-5/8, 84-7/8, 86A-1/2, 86A-5/8, -7/8 x 12, 96-1/2, 109, 110, 131-5/8, 131-3/4, 209, 238, 241, 276, 351, 3, 708S, 712S, 808, 814, 818, 1392, 1398, 5200N, 9525, 9527, 9528, 9651, 2, 9684, 9704, 9708, 9710 and 9732. Full details appear in Data Sheet 4736, ilable upon request.
